Dear

I would like to thank you for your interest in the Ninety Six revitalization implementation process. As a result of the Clemson presentation, seven (7) task forces were identified as necessary components to help us achieve our revitalization efforts.

Proposed implementation task forces are as follows:

-New/Existing Businesses
-Beautification
-Promotion/Marketing
-Infrastructure
-Finance
-Product Development
-Tourism/History/Cultural Development

The next scheduled task force meeting with Walter Harris, Director Innovation Center, Clemson Institute for Economic and Community Development, will be conducted Thursday, April 17, 6:30 PM in the Ninety Six Depot. If you know of someone that might be willing to participate on a task force, please invite them to the meeting.
If you need additional information, please call me, Donna Wells, (864) 543-2458 or email dcwells@greenwood.net.

I am confident that by working together as a community, we can achieve our vision for a more prosperous Ninety Six.

Sincerely,
